

Be the One Song Lyrics

Be the one, be the one
Everybody needs someone to be the one,
Be the one, be the one
Everybody needs someone to be the one.

Be the one to be a mentor
Be the one to say that you care
Be the one to really listen
Be the one who's always there

Be the one, be the one
Everybody needs someone to be the one,
Be the one, be the one
Everybody needs someone to be the one.

Be the one to feed the hungry
Be the one to read to a child
Be the one to help your neighbor
Be the one who shares a smile

Imagine what this world could be
If kindness led each thought and deed
Building our communities
In peace and love and harmony

Be the one, be the one
Everybody needs someone to be the one,
Be the one, be the one
Everybody needs someone to be the one.

Be the one to see who's lonely
Share your love in times of strife
Be the one to tell the story
Of someone who inspired your life

Be the one, be the one
Everybody needs someone to be the one,
Be the one, be the one
Everybody needs someone to be the one.
